No Electricity, No Warm Up, No Odor, No Wrinkling, No Burnt Fingertips! Hand crank system makes operation simple and safe even for kids to use. Fast & easy to load too!

Xyron 2500 25" Wide Cold Lamination System

The Xyron 2500

Offering three solutions in one easy-to-use package, the Xyron 2500 has just made document and poster finishing fast and easy. Like the smaller members of the Xyron family, the Xyron 2500 instantly applies adhesive, laminates or does both at the same time without heat or electricity. Simply insert a document, turn the handle, trim and you're done. The patented supplies allow users to quickly and easily change between applications. The Xyron 2500 is the one machine for all your finishing needs.

Supply Descriptions for the Xyron 2500

- **General Use Laminate:** A high gloss film suitable for use on a variety of substrates. The film has superior adhesion, excellent clarity and is compatible with most media.
- **High Tack Mounting Adhesive:** An aggressive adhesive that instantly creates a permanent bond on most surfaces. Has excellent clarity and a pH in the range of 5.0 - 7.0.
- **Low Tack Mounting Adhesive:** An adhesive offering a lower initial bond that will become permanent over time. Has a pH in the range of 6.0 - 8.0.
- **Combination One Side Lamination / One Side Adhesive Application:** Xyron's general use laminate on the top surface and one of the mounting adhesives described above.
